

## Printed Kate Greenaway A Catalogue Raisonne by Schuster and Engen

PRINTED KATE GREENAWAY A CATALOGUE RAISONNEPrinted Kate Greenaway

Schuster, Thomas E. & Engen, Rodney K.  
(ISBN: 0951175203)

This book is one that I use a lot to referencing Kate Greenaway cards. It has an extensive list of card sets along with many pictures. In addition to the cards it also details many other Greenaway items. \*\* Use this link to search for available copies of this book on Abe Books

### Summary of the book

This is the first fully comprehensive reference book on Kate Greenaway. The catalogue lists over 600 major items, with hundreds of variants.

It is divided into 4 main headings:

- (1) Published Books - over 200 main headings listed by title, with bibliographical details, variant bindings, as well as a Posthumously Published section listing Greenaway items issued after 1901;
- (2) Greeting Cards - over 60 complete sets listed by title, variant verses and printings, each set and variants illustrated in colour. Calendars, Trade Cards, Book Plates are also listed;
- (3) Periodicals - over 100 magazines with Greenaway illustrations are listed;
- (4) Ephemera and Spinoffs - a large selection of Greenaway-inspired piracies, jewellery, pottery to indicate the Greenaway vogue.

In addition a comprehensive chronology of the artist's life and work is included, alongside an extensive series of bibliographies to aid the student and collector. Includes indexes listing works by Author-Subject-Title
